

1 dollar a year
1 minute of your time
1 choice to make a big impact

Just \$1 A Year

Give1 is our latest regular giving campaign in response to Covid-19, to help the **most vulnerable people** in our communities who are suffering even more so due to the global pandemic.

TLC for Kids is one of the **only** charities who has been able to continue supporting sick and disabled children and their families during this time of crisis.

This isn't the time for grand gestures. We are empowering families by helping them with their **basic needs**, enabling them to focus on caring for their child.

We don't know yet what effect the pandemic will have on our economy, and thus on our ability to give emergency relief and support to these families.

That's why we need you.

Give **one minute of your time** to set up **one donation a year**, of **one dollar** or more.

We believe in **collective giving** where together, by giving **just a little**, we can create a **big impact** and reach more sick kids who **need us now**.

With your ongoing help, we can ensure our safety net remains in place to catch our most vulnerable community members.

1. Choose the **one amount** you'd like to give each year
2. Fill in your details **one time** and choose a payment method
3. Sit tight knowing you're helping provide basic needs to many

TLC for Kids is a registered charity. All donations over \$2 are Tax Deductible - ABN: 34335920537. We will keep you up to date about the impact you've helped create and provide Tax Receipts each year.

What can your \$1 a year go towards?

- Helping a family in dire need
- Paying a household bill and living expenses
- Purchasing essential items like food
- Support mental health and wellbeing
- Help fund a trip in the TLC Ambulance
- Anything associated with the care of a sick child, i.e medical bills or equipment
