#TLCFORKIDS

TLC for Kids is one of Australia's most inclusive and widest reaching charities, supporting sick kids and their families during some of their darkest times in hospital.

Every hour, of every day, children are in need of some sort of emotional or practical support. That's why we provide help over 1 million times a year, when it's needed the most, with the aim of putting smiles back on their faces and giving them a hand up.

And with enough help, we could be doing more. Every child is important and every donation counts.

You can help make a difference in 3 easy steps.

1. Scan the QR Code (click the link)
2. Fill in your details
3. You have just made a difference and helped a sick kid and still have change left over to go towards your next cup of coffee (or make another donation)

Make a difference. Give \$1 today

It cost less than 1/3 of a cup of coffee to help a sick kid.
